CARTHADIAN '64

CARTHAGE JUNIOR-SENIOR HIGH SCHOOL

CARTHAGE, NEW YORK

VOLUME VII

FOREWORD

Early this year the *Carthadian* staff began the task of creating this yearbook. Immediately we were faced with the questions: What is a yearbook? What is its purpose? To us, a yearbook should present an enduring reminder of the events—gay, sad, inspiring, and disappointing—of the past years; and also serve as the final voice of the Class of 1964. With this goal in mind, we commenced the production of this yearbook.

Selected as the theme of the 1964 *Carthadian* was "The Ship". Parallelisms are easily drawn between our education and the construction of a great vessel. Our formal learning started—as a boat's construction begins—with nothing but raw materials. It took the skilled hands of professionals to erect a basic foundation in the elementary education of us all. Similarly, skilled craftsmen work to construct the keel of a great ship. In high school our basic education is expanded, enlarged, polished, and carried on in greater depth. So, too, is a ship's foundation enlarged until the crude form begins to resemble a magnificent structure. As our education is completed and graduation marks our embarkment upon a new course, the final superstructure of the ship is finished; it is prepared for christening.

Yet, as the completion of a ship is not an end, but only a small phase in the life of that ship; so, too, is our education not a goal in itself, but only a step towards that goal. And, as a ship is not declared seaworthy until it's first cruise, our education's value cannot be determined until we are tested—in the sea of life.

Thus, with our ship as well constructed and prepared as possible, we are about to enter upon that sea, and may each of us be able to say, as the ship sails into port for the last time,

"Our ship has weathered every rack,
The prize we sought is won."

With this hope, we, the Graduating Class of Carthage Central School, present the 1964 *Carthadian*.

Alma Mater

In Black River Valley stands our Alma Mater dear;
Her loyal sons and daughters are faithful through the years.

Carthage, We love thee; we hail thee so true.
We pledge our loyalty—our hearts, in gratitude to you.

Comets reign forever; victories are fairly won;
The scarlet—silver banner soars proudly in the sun.

Sing our Alma Mater; raise our voices to the sky;
Long live dear Carthage Central; her praises never die.

VARSITY FOOTBALL

Using a new system of play and under a new coaching staff, the 1963 Comet gridders posted an impressive 5 won and 3 lost record. Wins over Oswego and Ilion highlighted a season that pleased fans, players and coaches. Head Coach Barry Mynter and assistants George Maurer and Jay Arnold successfully installed an unbalanced-winged T attack that helped produce the five victories. Forming a well balanced team were Don Rigabar supplying the air power and Joe Ventiquattro, Rick Wangerin, and Terry Earle adding the running punch. Spearheading the line were stalwarts Ken Gleason, John Beaty, Jerry Egeberg, Bob Hansek, and Jim Higgins.

Off to a slow start this season, and handicapped by a lack of height, the Comets, nevertheless, completed the season with a very respectable 12 and 6 record. In Coach Jay Arnold's first year at the helm, the team's highly successful season was climaxed by an outstanding last game in which Carthage fans saw "The Big Wind from the Southwest," the Golden Cyclones of Watertown, deflated with a decisive 62-51 upset victory by the Comets.

J. V. CHEERLEADERS

VARSITY CHEERLEADERS

"As full of spirit as the month of May!"
(William Shakespeare)

The 1963-1964 cheerleading squad has continually boosted team spirit and the morale of the entire student body. Control of audience participation at football and basketball games is an important part of athletics, and this heavy responsibility ably rests with the members of this group.

Our cheerleaders are a welcome sight at any event, and many new cheers have found their way to the hearts of all at C.C.S.

Row one: Patsy Flanigan, Sally Ferguson, Marcia Bears. *Row two:* Tina Liberatos, Cathy Mealus, Donna Caffrey, Janice Muir, Cynthia Affinati, Sandy Storms, Sharon Walton.

SWIM TEAM

As compared with previous years, the 1963-1964 Mermen at C.C.S. have showed much improvement. Under the coaching of Mr. George Maurer they ended their regular season with five wins and seven losses.

Individuals provided the excitement. Records broken or captured throughout the course of the season included Brian McKenna's 55.8 in the 100 yard freestyle, 2:03.7 in the 200 yard freestyle, and 4:41.9 in the 400 yard freestyle. John Beaty holds the school record of 25.3 for the 50 yard freestyle. Jack Knapp's time of 1:02.4 in the 100 yard backstroke earned him the pool and school record.

WRESTLING

The 1963-64 Comet Wrestling Team coached by Frank Millard had its first winning season since 1959.

The team ended the year with an 8-7 record which wasn't a true indication of its strength. Four of the team's defeats could have very easily been victories with a few breaks in the right places.

Overall the team finished in a tie for fourth place in the league. Outstanding records were compiled by Dick Bent (13-1), Mike Bezanilla (13-3), Terry Earle (9-3), Bob Burrell (8-4), Doug Fetterly (11-3), Lynn Burke (8-4), and Tim Earle (9-4).

GOLF

Carthage Central school golfers grabbed title honors in the Frontier League this season. The Carthaginians, coached by Ben Renzi, won ten matches and lost one. In winning the trophy the Comets defeated Watertown High School linksmen, 6 to 3, in the playoff match. Jim Fahsel and Bob Richardson shared medalist honors.

VARSITY BASEBALL

The Comets were led by John Dumaw (.409) and Joe Ventiquattro (.387) in batting. John Dumaw was also the leading pitcher with a 3 and 3 record. George Blondin, when not catching, was our hard-luck pitcher. He lost to a tough Rome team in extra innings and to Canton by a 1 to 0 score. George did have a no-hit game against Adams Center-Adams Central School.

The Cross Country team in its first season under Coach Roggie achieved a highly successful season. The team captured all three of its dual meets and its lone triangular meet. The team's greatest triumph was a 16-43 rout of A.C.A.C. on the home course. The team, however, managed only average showings in its invitationals. This perhaps can be attributed to lack of experience and a rash of sickness and injury.

For the first time a freshman team was entered into competition and finished exceptionally well. Led by Dan Zehr, the freshmen placed second and third in their two outings.

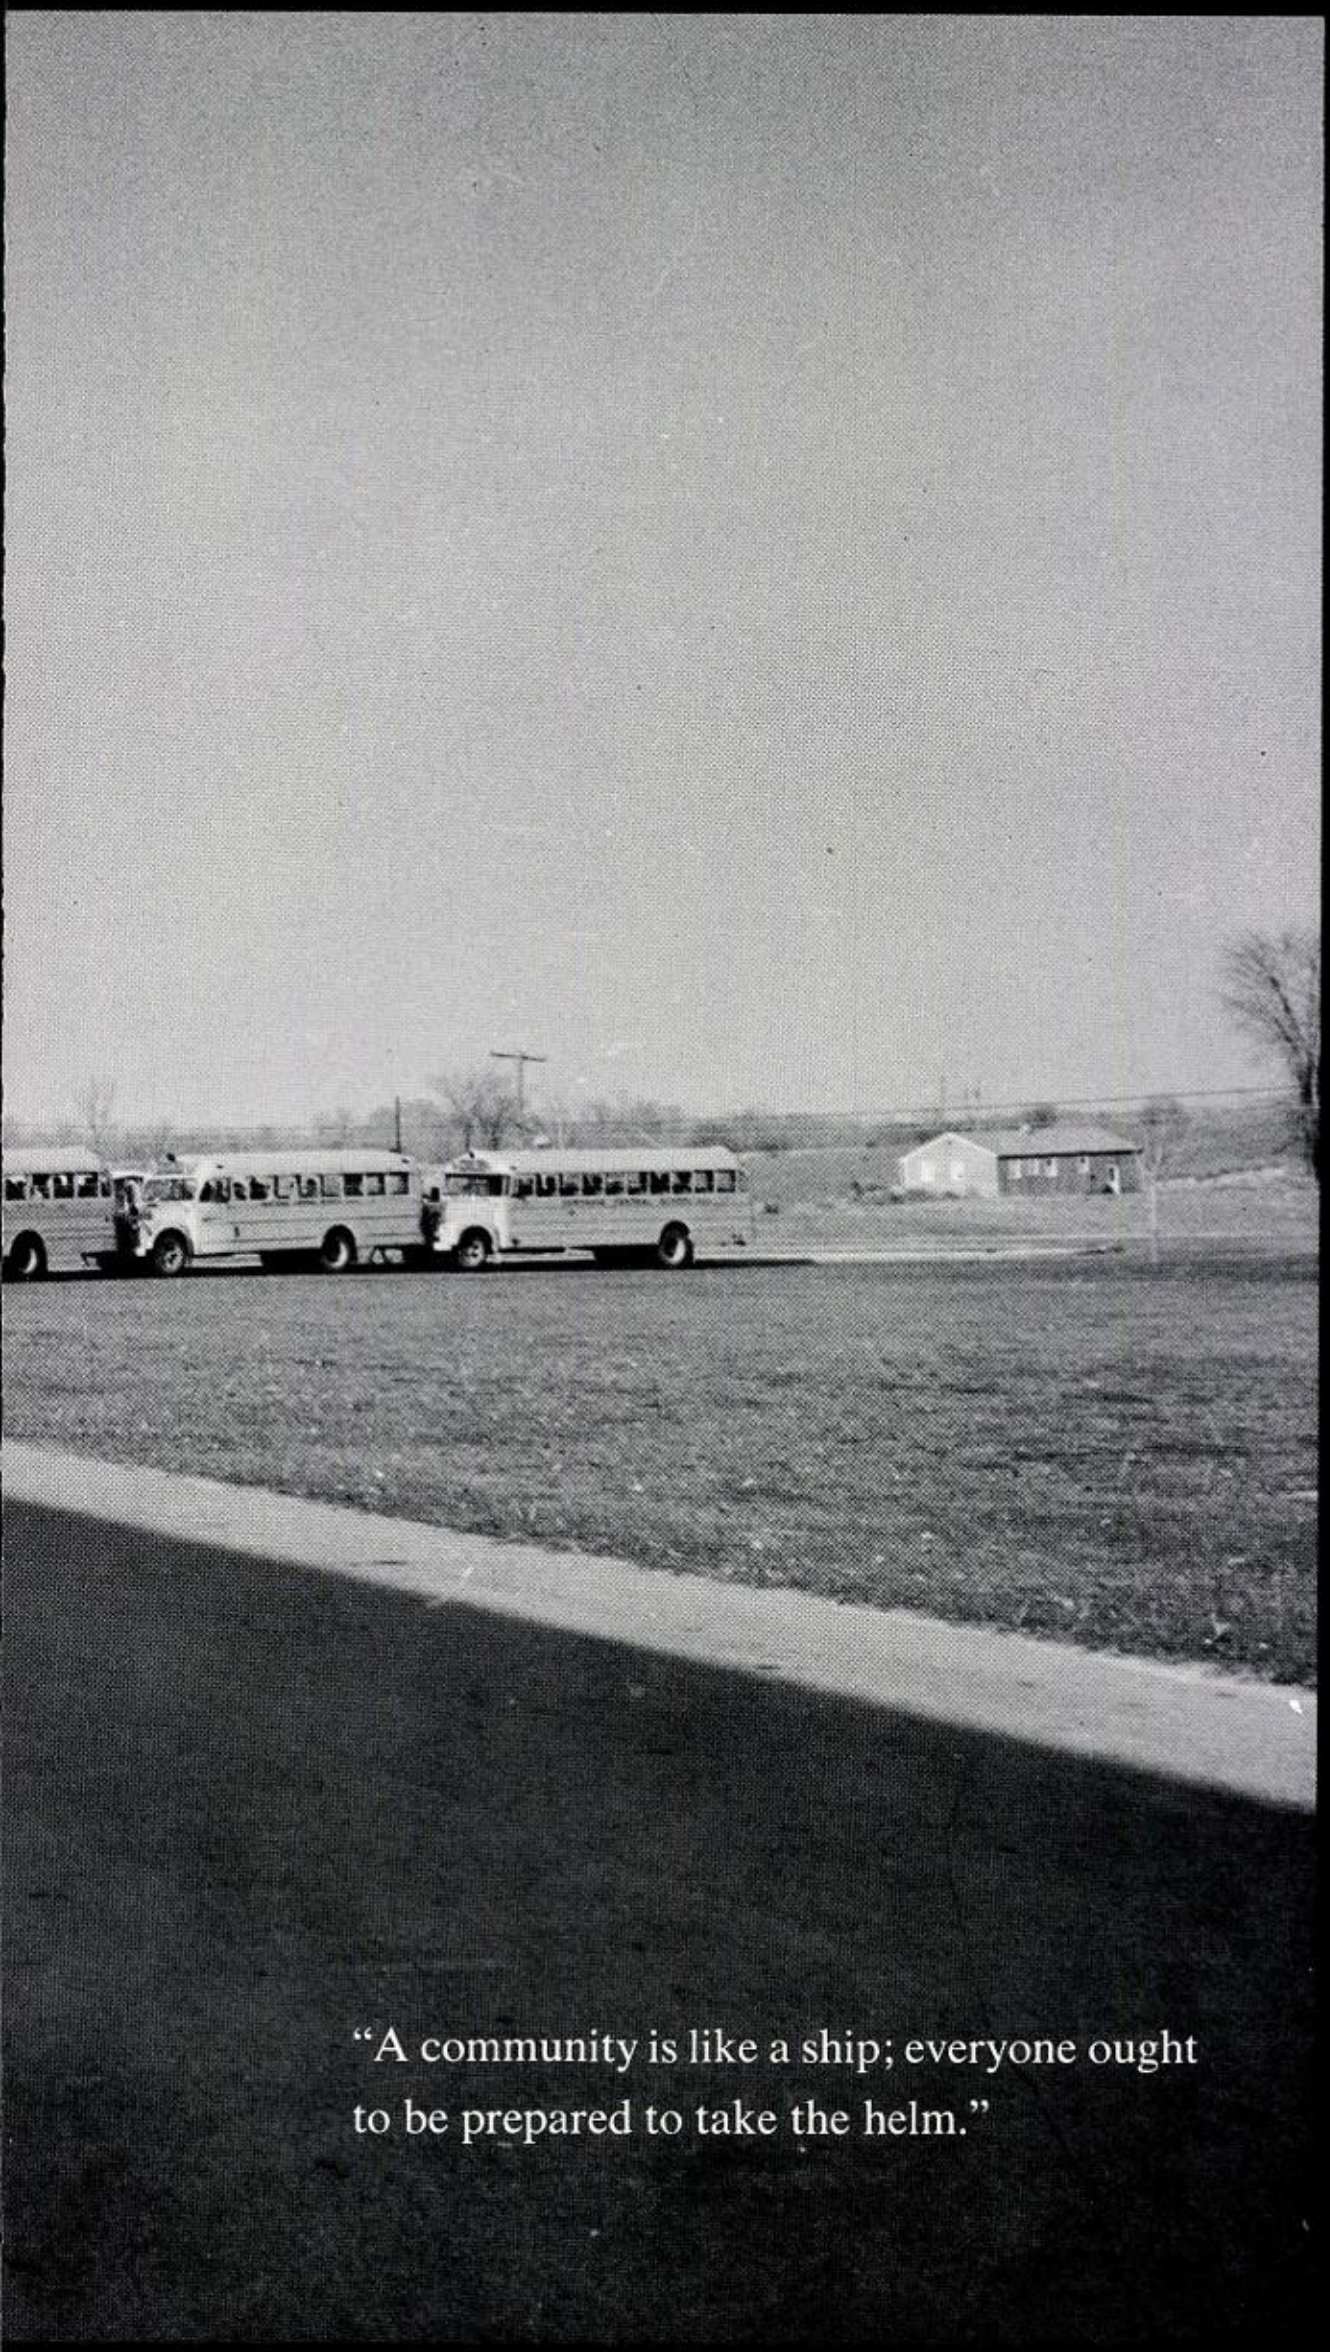
The Track team under Coach Mynter enjoyed another excellent season. The team finished first in the Frontier League with a 5-0 record and an over all record of 8-1. The lone loss was suffered at the hands of A.C.A.C. The team placed fifth in the A division and fourth in the B division of the Massena Invitational. Although winning the league championship the team placed only third in the league meet. This can be explained by the fact that the team had depth instead of a few outstanding individuals, making it well-rounded. Last year's team also established six new school records.



"A community is like a ship; everyone ought to be prepared to take the helm."

Character, leadership, scholarship, service . . .

The further development of these outstanding qualities on the part of the student body is the purpose of this society.

On this year's agenda were two induction ceremonies; fund raising activities included a WOTT Hop, fudge sales, and the presentation of the annual Student Talent Show.

The organization was host to the District 9 fall and spring conferences in October and May.

This year's Student Council was by far the most active body of its kind since the organization's inception.

Under its auspices a survey was made in regard to cafeteria menus and a Pep Club was organized in order to improve school spirit.

The promotion of student participation in school activities, the establishment of better understanding between faculty and students, and training for future citizenship are the goals of our Student Council.

G. A. A.

High school girls of many interests join together in this organization to teach high standards of sportsmanship, to participate in extra-curricular activities, and to better physical fitness.

G.A.A. members sold refreshments at both football and basketball games. They assist the women physical education teachers during free periods. In this way points are accumulated and a letter may be earned. A plan to buy blazers as symbols of membership is in the offing.

VARSITY CLUB

It is a goal of every would-be athlete to earn his varsity letter, buy his red and gray jacket, and become a member of the Varsity Club. Because this organization fosters good sportsmanship and arouses fellowship, it is respected by everyone.

Basketball games would be less rewarding if it were not for the refreshments sold at half-time by these boys and the dances sponsored afterwards. Awards are presented to all worthy athletes.

To create a definite interest in the different aspects of dramatics is the purpose of the Thespian Club. Regular meetings are held twice a month.

In January a one-act play was presented as an assembly. A full evening performance was given in the spring. Each year a group of interested members attend the art festival at Oswego. Workshops stimulate knowledge in the arts of lighting, staging, directing, acting, and make-up.

Members quickly learn that *". . . one man in his time plays many parts . . ."*

TRAFFIC SQUAD

Rrrrrring! Class dismissed!

The lonely boy at the end of the hall braces himself for the ensuing onslaught, in which he will be poked, prodded, pulled, and pushed. For him these next three minutes are but moments of anxiety, since few students believe that *"to resist him that is set in authority is evil."*

A smooth, orderly flow of traffic is maintained by the junior and senior boys of the Traffic Squad, regardless of the numerous bruises they receive.

Last year our chapter placed second in the state F.F.A. Field and Forage Contest and second in the state finals of the Chapter Meeting Contest.

This year our boys won the Jefferson County F.F.A. Land Judging Contest. They demonstrate correct parliamentary procedure in public meetings and express themselves well in speaking contests.

F. H. A.

This small group of junior high girls are beginning early in life to prepare themselves for the future. Striving to improve personal, family, and community living, these girls start learning the art of being a housewife now.

Sewing and cooking skills are increased, while tray favors are made for various institutions on the holidays.

Members receive instruction in basic hospital procedures and then prepare to serve. Working as aides in the Watertown hospitals and learning from their own experiences, the girls in the F.N.C. are better adapted to future education.

The students help in the health room and assist at immunization clinics. At Christmas they also make stuffed animals for the children's orphanage.

The first one of its kind at C.C.S., the Debate Club is designed to aid students in the study of resourcing, to teach the fundamentals of competitive argumentation, and to present the basic concepts of public speaking.
